

Inclement Weather Policy for all FC Pride Events

Coach/Manager: In the event that a game needs to be stopped due to inclement weather, lightning, etc, you will be instructed by one or all of the following methods:

- 1) Notified by tournament official
- 2) Referees
- 3) Air Horns/Police sirens
- 4) Red Flag on flag poles.

Everyone should then go to their cars or a place of safety with a sense of urgency.

DO NOT LEAVE THE COMPLEX!

In the event of lightning FC Pride will wait 30 minutes from each lightning strike before the games will be restarted.

Obey the Red Flag:

In the event the red flag is flying during a weather stoppage all players/families must be completely off all fields.

If your team/player is on the field while the red flags are flying your team will be asked to leave the tournament and all your games will be forfeited. No refund is given.

Re-Entry on the Fields:

The air horns/sirens will sound again or you will be informed by a tournament official when everything is "all clear." You should then return to the field. If it is necessary for you to check with Tournament Headquarters regarding this situation, we ask that only one team official go to the headquarters tent.
